

# Growing Technology

Let's shape the future of your business

We want to be globally recognised as the ideal

## **Business Partner**

supporting clients in every industry.

OUR VISION

We offer them our expertise to overcome

## **Digital Challenges**

and seize business opportunities.

We help our clients at all levels of business through

## **Skylabs Digital Service.**

OUR MISSION

Our approach is customer-oriented and goes from strategy to implementation, including adoption and training.

# TALENTS

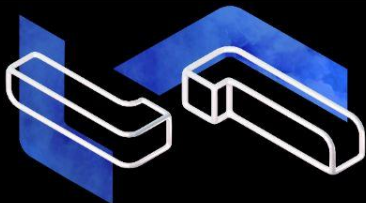

Talents have always been a fundamental piece of our story. We started to give value to excellence in our **Skylabs Academy**, through which we train and hire young people.

PEOPLE, NOT RESOURCES

Our  
essence

CHANGING BUT TRUE

# BET

When we founded Skylabs, each of us gave up something to achieve a much greater goal. We had nothing but a small and **exceptional team**: we have staked everything on that.

# SOUTH

An apartment in Catania, a few workstations but a strong desire to build something great. Our first office was born in **Sicily** and we continue to invest there.

STAYING TOGETHER

## WELFARE ROADMAP

We take care of our employees' well-being by periodically introducing new benefits through internal gamification.

We share experience and knowledge through our events for prospects and clients. The future cannot wait!

We have been recognised by Great Place to Work as one of Italy Best Medium Size Workplaces 2024, ranking #3.

We have been recognised by Great Place to Work as one of the Best Workplaces for Diversity, Equity and Inclusion and as one of the Best Workplaces for Millennials.

We won the Employer Branding Awards, ranking first among companies with policies aimed at promoting Work-Life Balance.

We committed with Salesforce to train and hire new talents, working together with universities.
